

Instructions for Poster Session Presenters

1. The On-site poster session will be held on July 9, 12:50 - 14:20, JST at Kyoto Brighton Hotel.
2. Please prepare your presentation materials according to your preference:
 - A) On-site only (Panel presentation)
 - B) On-site and On-line (Panel presentation and MP4 file/PPT)
 - C) On-line only (MP4 file/PPT)
3. The poster should contain the COI disclosure statement. Please see the details on the JCA-AACR Special Joint Conference website.

Panel Presentation (On-site):

Poster panels are 90 cm wide × 210 cm high. Please refer to the diagram below, and use large-sized characters for easy reading. At the On-site presentation, please find your poster number on the panel and put up your material there. The poster number of each presenter has been notified by the invitation letter sent by the secretariat via e-mail prior to the Conference.

MP4 file (On-line):

When you create MP4 file from PowerPoint file, please save the file as a "PowerPoint Presentation (*.pptx)" first and then when you select the file size in "Export" tab, please choose "HD (Medium file size and moderate quality)".

PPT (On-line):

◇ Format (recommended) PowerPoint 2019 (Windows10)

* Data created with other versions of PowerPoint for Windows or PowerPoint for Mac can also be registered, but there is a possibility that characters may be garbled or the position of the revision may be misaligned when converting to a distribution file.

Please be sure to check on the online preview page.
